ABOUT ME

I am a creative and innovative professional with an undergraduate degree in Media & Design from ICAT. My portfolio highlights my expertise in 3D modeling and texturing, developed through my multimedia studies. Additionally, I have recently completed a course in Full Stack Development with Java. I am eager to apply my skills and knowledge in a Full Stack Development role to kick-start my career.

SOFTWARE SKILLS

- HTML
- CSS
- JAVA SCRIPT
- Bootstrap 5

EXPERIENCE

SunStudioSparks | Modeling Artist
April 2023 - June 2024

I have gained valuable industry experience working as a 3D Modeling Artist for SUNSTUDIOSPARKS, a company Externaly partnering with AMAZON. During my one-year tenure in a freelance capacity, I developed and refined my skills in 3D modeling, contributing to various projects and demonstrating my ability to deliver high-quality results.
